Mike Coffman
Secretary of State

Holly Z. Lowder
Director, Elections Division

COUNTY METHOD OF VOTING AND COUNTING
2008 GENERAL ELECTION

The results below represent responses from county elections offices regarding their methods of voting and ballot counting for the 2008 General Election. Responses were provided by county election offices and compiled by the Secretary of State's office. If you have questions about this document, please contact the Elections Division at 303-894-2200, extension 6307 or via email at sos.elections@sos.state.co.us.

Counties who did not submit a response are marked as "Not Reported".

All polling places are required by law to have at least one accessible DRE, regardless of the primary method of voting.

LEGEND

Central Hand Count –	County will hand count ballots at a central location
Central Count w/Optical Scan –	County will count ballots at a central location using optical scan voting equipment
Combination Paper & DRE –	County will use a combination of paper ballots and DREs
DREs –	Ballots are counted at polling locations on DRE equipment
Paper Ballots –	County will be using all paper ballots
Precinct-based Hand Count –	County will hand count ballots at polling locations
Precinct-based Optical Scan –	County will count ballots at polling locations using optical scan voting equipment
Polling Place –	Voters are assigned to a specific precinct
Vote Center –	Voters may vote at any vote center in the county
